Dr. S.Y. Chang
Chairman of Standing Committee
Forum on Harmonization of Herbal Medicines
C/O: Herbal Medicine Evaluation Department
Korean Food and Drug Administration

Dear Dr. Chang:

Thank you very much for your letter dated, November 18, 2008, on behalf of members of the Standing Committee for the Forum on Harmonization of Herbal Medicines (FHH), inviting Health Canada to become a Special Member of this organisation.

Over the recent years, Health Canada has enjoyed the opportunity to attend and learn from FHH meetings. While realising that we will still not be able to vote within these fora, we hope the new designation proposed will provide us with an opportunity to play a more active role. Consequently, we would be pleased and honoured to accept your kind invitation. We look forward to working closely with you, and other FHH members, in the future.

Yours sincerely,

Michelle Boudreau
